

Dear Families,

As we enter the final three weeks of term, please find our updated July diary dates below to help you stay on top of what's coming up. Reception to Year 6 will be swimming every day next week, so please make sure your child has their swimming kit in school each day.

With the warmer weather, we also ask that all children come to school with suncream applied and a water bottle to stay hydrated.

We're pleased to be welcoming Year 10 work experience students from Wadebridge and Sir James Smith's Schools, and please note that our new Headteacher, Jo Luxford, will now be visiting on Thursday 10th July – a change to the date previously shared.

Have a lovely weekend – and we'll see you (and your swimmers!) on Monday.

Emma Williams

Headteacher
