

Port Isaac Academy

Friday 11th July 2025

Dear Families,

Today, your child has brought home their **end-of-year summary and attendance certificate** via bookbag post. You will also receive a copy by email. This report provides an overview of your child's progress and achievements across the year.

If you would like the opportunity to discuss this with your child's class teacher, please don't hesitate to get in touch. We will be happy to arrange a convenient time to meet:

Miss Waters – mwaters@pia.celtrust.org

Miss Young – jyoung@pia.celtrust.org

Mrs Williams – piahead@pia.celtrust.org

Mrs Dimmock – edimmock@pia.celtrust.org

I've also attached the **diary dates for the final two weeks of term** – there are lots of exciting events coming up as we bring the academic year to a close.

This week, the children have had a **fantastic week of swimming lessons**, and we are incredibly proud of them all. From building confidence in the water to refining stroke techniques, floating, diving, and developing water safety awareness, every child has made excellent progress. They showed **resilience** in pushing themselves every day, **aspiration** in aiming to improve, **respect** for their instructors and each other, **joy** in their achievements, and a real sense of **community** as they encouraged and supported one another.

A huge thank you to the **Doc Martin Fund** for generously supporting the cost of transport – this made the opportunity possible for all our pupils. Despite the heat, the children approached each day with energy and enthusiasm and have been a credit to Port Isaac Academy.

As the warm weather continues, please remember to apply sun cream before school and ensure your child brings a **sun hat** and **plenty of water** each day.

Donations for our Rainbow Hampers are still gratefully received **after the weekend** – thank you for your generosity so far. These hampers are looking great!

Wishing you all a sunny and restful weekend.

Best Wishes,

Mrs Williams

Head Teacher – Port Isaac Academy
